

Case Study: Office Fit-Out

Job Title:

Office Fit-Out

Company:

Repligen

Location:

Waterford

Duration:

3 months

Objectives:

**Office Fit-Out of existing
IDA building**

Our client identified a building for lease from the IDA. Whilst the existing building had been brought to a certain standard for occupation it needed significant upgrades to meet the needs of our client.

Prochem Engineering and its team worked with the client to develop a detailed design, appoint contractors and manage construction of the office fit-out.
